

## Supervisor Boot Camp

Oct. 24 and Nov. 1 | Virtual

You don't master the art of leading and managing through luck; you master it with training, experience, self-learning and applying best practices. As a manager or supervisor, you must have the attitude, aptitude, skill set, confidence, persistence and commitment to excel in this multi-tasking, challenging role. The Supervisor Boot Camp will take your expertise to a new level as you learn how to collaborate and coach your employees to excel on the job.

Whether you are a new or seasoned manager/supervisor, you will find this experiential training invigorating, motivating and applicable to managing and supervising others. You will learn how to manage crucial conversations and challenging situations and practice a coaching approach that encourages your staff to be engaged and accountable.
