

# FDIC DIRECTORS COLLEGE

Presented by:

**Nov. 14, 2024 | 8:30 a.m. - 1:15 p.m.**

**Penn Stater Conference Center, State College, Pa. | \$235**

Join us for an interactive, one-day program designed for bank directors that provides ongoing education on current topics and various elements of bank supervision.

## SESSIONS

### **REDLINING: YOU'VE IDENTIFIED REDLINING RISK...NOW WHAT?**

This session will provide an overview of redlining risks and discuss the board's role in mitigating such risks and how the board and management could respond to heightened redlining risk. Attendees will have the opportunity to apply what they learn in an interactive case study.

### **LIQUIDITY CONTINGENCY PLANNING AND RISK MITIGATION**

This presentation will discuss the key components of effective planning and risk mitigation in the context of liquidity to underscore the importance preparation.

### **RISK ASSESSMENTS: THE BASICS, THE BENEFITS AND THE PITFALLS**

This presentation will discuss the benefits and importance of a well-developed risk assessment, particularly from the perspective of directorates. We will also share with you some shortcomings that may manifest in the absence of an adequate risk assessment process.

### **CONVERSATION WITH REGULATORS**

This session will provide an informal setting for participants to hear what is on regulators' minds and to share experience and insights as a community bank board member. Members of the FDIC regional management team will highlight emerging issues, answer participant questions, and discuss topics raised by participants. The session structure will include prepared remarks, as well as an open forum for questions and discussion.

### **ECONOMICS/BANKING UPDATE**

During lunch, presenters from the FDIC's Division of Insurance and Research will provide national and local economic data to assist attendees in identifying key trends that have impacted and may continue to impact the industry.
