

ADVANCED SCHOOL OF BANKING | 2024

Gain a Greater Understanding of the Multiple Banking Disciplines

Join us for the Advanced School of Banking, a three-year program analogous to higher-level college course study. A variety of learning techniques - including lectures, small group teamwork, computer simulations, online learning, case studies, peer presentations, independent study and home extension problems (HEP) - will be used, providing you with a full curriculum to help you enhance your skills and prepare for leadership within all levels of your institution.

 July 21-26, 2024
